

## Zápis do ŠS!

### SOME and ANY

Nějaký, některý, některá

**SOME:** v kladné větě

I have got **some** oranges.

**ANY:** stejný význam, používáme v záporné větě a otázce.

Have you got **any** bananas? No, we haven't got **any**

## Neopisuj!

### When do we use *some* and when *any*?

We use **some** and **any** for an amount which is not known e.g. Have you got **any** crisps?

### Use of *some* and *any*

- **some:** affirmative statements, offers, requests and in questions when you expect the answer  
>yes<
- **any:** negative statements, questions

Have you got **any** bananas? No, we haven't got **any**. But we've got **some** oranges.
